WRITER . ILLUSTRATOR . CREATIVE

Pompey-born Writer and Creative Assistant with a passion for character-driven storytelling looking to break into **SCRIPTED DEVELOPMENT**. With a diverse background throughout the development and production pipelines of animation and immersive theatre; I offer nuanced observations and a cultural savviness that connects with contemporary audiences, and I possess a creative flair that can provide innovative solutions to any challenge thrown my way. jessiemfrancis.com | www.linkedin.com/in/jessiemfrancis

Skills

- Working with writers & creating detailed script reports/coverage
- Driving forward projects in development with Producers and Creative Directors
- Adapting existing IP within writers' rooms, and providing key editorial & admin support, including note-taking, research, and tracking continuity, flow and changes to evolving scripts across episodes and shows
- Scouting new IP for development
- Working effectively and collaboratively with project-specific freelance associates including agencies, talent and crew with discretion
